**This is to certify that Mission 2026 Ltd has achieved the Planet Mark by reporting its carbon footprint and engaging its stakeholders.**

Valid to: 30 June 2024

## Measure

**6.6 tCO<sub>2</sub>e**  
Measured carbon footprint.

**1.9 tCO<sub>2</sub>e**  
Measured carbon footprint per employee.

We are committed to reducing our carbon emissions yearly so that together we can all halt climate change.

**Reporting Boundary:** Home office locations

**Emission Sources:** Business Travel, Homeworking

**Reporting Period:** 01 Apr 2022 - 31 Mar 2023

## Engage

**4 FTE employees.**  
We engage our employees and wider stakeholders to unlock their talent and knowledge to drive year on year progress in sustainability.

## Communicate

**3 Sustainable Development Goals.**  
We recognise that transparent communication is essential for transformational change and we quantifiably contribute to 3 SDGs.

**Empowering change for a brighter future.**

The Planet Mark is a sustainability certification for every type of organisation, for products and real estate. Our certification recognises continuous improvement, encourages action and builds an empowered community of like-minded individuals who make a world of difference.
